

Informational Presentation for Santa Marta, Colombia

Iglesia Reformada Calvary

La Iglesia Reformada Calvary traza su

s inicios al año 2007, en el barrio Villa del Carmen de la ciudad de Santa Marta, Colombia. Teniendo como estandarte las Sagradas Escrituras, el pastor Edison Flórez ha estado al frente de la iglesia, enseñando domingo tras domingo y no perdiendo de vista las 5 conclusiones de la reforma de hace 500 años: Sola Scriptura, Sola Gratia, Sola Fide, Solus Christus y Soli Deo Gloria. Somos una Iglesia presbiteriana que tiene como fin glorificar a Dios y busca poder **fortalecerse** localmente en sus áreas de servicio, **crecer** y luego **expandirse**.

En esos inicios, al no tener un lugar fijo, se recorrieron un total de 3 sitios diferentes, hasta radicarse en el año 2017 en la actual ubicación que por pura misericordia el Señor quiso regalarnos y donde actualmente se construye el segundo piso con el apoyo de RMS, para albergar las clases dominicales de los niños.

Calvary Reformed Church

The Calvary Reformed Church traces its beginnings to 2007, in the Villa del Carmen neighborhood of the city of Santa Marta, Colombia. With Scripture as its standard, Pastor Edison Florez has been at the helm of the church, teaching Sunday after Sunday and keeping in view the five conclusions of the reformation of 500 years ago: Sola Scriptura, Sola Gratia, Sola Fide, Solus Christus, and Soli Deo Gloria. We are a Presbyterian Church that aims to glorify God and seeks to be strengthened locally in its service areas, grow and then expand.

In those beginnings, when not having a fixed place to worship, a total of 3 different places were crossed, until rooting itself in the year 2017 in the current location that by pure mercy the Lord wanted to give us and where the second floor is currently built with the support of RMS, to host Sunday classes for children.

Below are some pictures of the congregation worshipping at one of their previous locations before the construction of their new facility.

Fundación Sembrando Vida

Es nuestra ala de misericordia; es un servicio que brindamos a la comunidad a través de la atención a 312 niños en 4 áreas críticas:

- Espiritual
- Física
- Socio-emocional
- Cognitiva

Esto se hace con la cooperación de la iglesia, quienes laboran, desde las directivas hasta los tutores son miembros de la congregación que se esfuerzan por brindar lo mejor de ellos a los niños, por pura convicción que el premio más grande ya nos lo entregó Jesús.

Sowing Life Foundation

It is our wing of mercy; a service we provide to the community through the care of 312 children in 4 critical areas:

- Spiritual
- Physical
- Socio-emotional
- Cognitive

This is done with the cooperation of the church, who work from the directives to the tutors. The tutors are members of the congregation who strive to bring their children to their best, out of the conviction that the greatest prize has already been given to us by Jesus.

The Sowing Life Foundation helps to provide medical care and meals to the children that attend this ministry.

Here the volunteers work with the children to teach them social as well as basic music skills.

The top picture is an instructional class for the mothers.
The bottom picture is the advanced music class for the older students.

The Foundation also conducts sports training by assembling soccer teams of the different age groups. This promotes good sportsmanship as well as how to work together. All while learning instruction with God's Word.

Escuela Ministerial Calvary

Es otra área de servicio, enfocada en preparar a los creyentes, no sólo de la iglesia, sino de la ciudad, para la obra del servicio y para crecer en la palabra del Señor, a través de estudios bíblicos y teológicos desde la iglesia y de conferencias periódicas que se abren al público general y que han servido de bendición a muchos hermanos.

Calvary Ministerial School

It is another service area which is focused on preparing believers, not only of the church but of the city, for the work of service and to grow in the Word of the Lord. It is through biblical and theological studies from the church and through periodic conferences, that are open to the general public, all have served as a blessing to many brothers and sisters.

Local Pastors and Elders of the Churches on the Colombian North Coast lead a class at one of the periodic conferences. The pictures that follow, are a representation of the many speakers who have come to Calvary over the past few months, including Dr. Neal Hegeman of MINTS Theological Seminary.
